WEEK 3 UPDATE February 20, 2015

[AB 182](#) was introduced yesterday in the assembly. The bill, sponsored by Assemblyman Kirner with several co-sponsors (guess which party?), will gut collective bargaining as we know it and eliminates police, fire and others from collectively bargaining. It basically provides the local government with the unilateral right to provide compensation and benefits to all of you at their discretion. It is an insult to all that we have worked for since 1969.

Through the efforts of Chris Collins and Rusty McAllister, we were able to postpone any hearing on this for at least a week to give us time to lobby the bill and hopefully really condense it.

[AB 109](#) Sponsored by Assemblywoman Robin Titus and co-sponsored by a number of legislators (guess which party?), is another collective bargaining bill that will require reporting of all dues, etc. and provides for a possible legislative audit to see what is done with our association dues, revenues and expenses. This bill is scheduled for Monday, Feb.23 at 1:30 p.m. in Assembly Commerce and Labor in Carson City and is being teleconferenced to Vegas in Room 4406 of the Grant Sawyer State Office Building, 555 E. Washington Ave.

[SB 153](#), Sponsored by Senator Settlemeyer with a large number of co-sponsors (guess which party?) pretty much eliminates our heart and lung worker's compensation benefits. This bill is being heard bright and early Monday, February 23 at 9:00 a.m. in Senate Commerce, Labor and Energy in Carson City and is being teleconferenced to Vegas in Room 4406 of the Grant Sawyer State Office Building, 555 E. Washington Ave.

We are lobbying these bills in an attempt to really reduce the terrible effects that we predict will be the outcome.
